## Vision

To Treat Every Student as an Individual, To Recognize His/Her Potential and To Ensure That He/She Receives The Best Preparation to Help One Meets His/Her Career Ambitions and Goals.

## Mission

To Develop Young Engineers with Active and Creative Minds, A Sense of Understanding and Sympathy for Others, and The Courage To Act On Their Beliefs. We Stress the Total Development of Each Student: Spiritual, Moral, Intellectual, Social, Emotional and Physical.

"The whole purpose of education is to turn mirrors into windows."

It is my immense pleasure to observe that Gandhinagar Institute of Technology is publishing its eighth memoir named 'GIT – A Song of Technocrats' consisting of a glimpse of all the achievements and activities carried out in the institute. All the vibrant activities/events organized for overall development of students are nicely documented in the magazine. It is indeed a matter of joy for me as well as Platinum Foundation that one more jewel of glory is added in the crown of our institute.

GIT willingly shoulders the task to bring out the potential of the students, equip them for successful growth and at the same time, inculcates moral values through quality education adopting innovative techniques in teaching-learning process. It is indeed gratifying to state that GIT has achieved the pinnacle of success by availing curricular and co-curricular opportunities and facilities to the students.

I must mention without fail that credit for thorough development of our institute goes to the director, Dr. N M Bhatt and his teammates. The success of the institute is undoubtedly the outcome of his tireless efforts, enthusiastic approach and positive attitude towards one and all. I am confident that GIT will climb more steps towards the peak of success under his leadership.

I heartily congratulate the editors, staff members and students for their meticulous efforts in bringing out the annual magazine. I hope 'GIT – A Song of Technocrats' will continue to scale greater heights in the days to come by reflecting the ethos of the institute and inspire young scholars to participate in the intellectual environment.
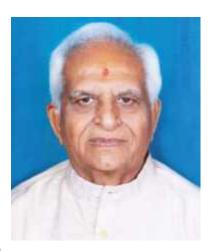

Shri Hareshbhai Rohera
Trustee

The only person who is educated is the one who has learned how to learn and change. Education is the movement from darkness to light.

The more we come out and do good to others, the more our hearts will be purified, and God will be in them

01

"Education is the most powerful weapon that  you can use to change the world."

It gives me an immense pleasure to unfold the eighth issue of the magazine, 'GIT – A Song of Technocrats.' I am sure that this magazine is an excellent platform that provides opportunities to the young dynamic minds for their artistic expressions. As a mirror of the institute 'GIT – A Song of Technocrats' has vividly reverberated the academic and co-curricular events, achievements and activities happening at the institute.

Technical education is a ticket to a great career and bright future. GIT is committed to provide just that to all its students. Along with equipping our students in being a world class engineer in many streams, we offer holistic education and exposure to all our students in academics, sports and co-curricular activities in order to train them to be competent profession.

GIT becomes the most circulated name among the one who aspire to pursue an engineering degree in technology. We are very much aware of the significance of technology in the current world. We put enough care to provide most modern facilities for the students including high tech labs and a serene campus. We just not bring out a technical professional from the student but also a world class citizen who are able to bring innovative ideas which will be helpful for the growth of technology and human race.

Mere thanks in a few words would be highly inadequate to express my sincere gratitude and admiration to the director, Dr N M Bhatt and the whole staff of GIT for their valuable contribution in the development of the students and the institution. I affectionately congratulate one and all for the same on behalf of Platinum Foundation.

Shri Ghanshyambhai Thakkar
Trustee

It is my immense pleasure and warmest felicitations that GIT is presenting yet another eighth issue of annual memoir – 'GIT: A Song of Technocrats'. Turned with our commitment to stride for the never ending scroll of excellence, the present issue too, is enriched with creative potential of the young and energetic students and infinite endeavor of enthusiastic faculty members, involving details about Institute Administration, Reports of various Curricular and Co-Curricular activities, details about Seminars, Workshops and Training program conducted by the Institute and technical/non technical articles submitted by students and staff members of the Institute. A College magazine is a repository of the heart and soul of the college. It reflects the life and times of the college at various periods in its history and is something that students cherish and treasure in their later years. As I understand, this magazine is intended to bring out the hidden literary talents in the students and the faculties and also to inculcate leadership skills among them.

The quote "The educated differ from the uneducated as much as the living differ from the dead" by Aristotle, illustrates the significance of education in life. Needless to say, when promotion of the dignity of human spirit is the guiding principle and the pursuance with sheer dedication and devotion is the overriding commitment of the institution, then lasting foundations are laid. Gandhinagar Institute of Technology has accomplished every such commitment by pouring in limitless power in every student who has entered into its portal, with courage of conviction and strength of character to ride over trials and tribulations of life. We are committed to produce globally competitive engineers and to provide them with provoking learning environment which will not only boost them up with cutting edge leverage but also make them responsive to society at large.

Adding a feather to its cap, an annual technical symposium GTU Techfest 2015, was successfully organized by the institute. An envious number of more than 3000 students of various technical institutions across the Gujarat took part in the Techfest.

During the academic year of 2015, institute has arranged Spoken tutorial workshops on Linux, Latex, Scilab,Myphp, Python etc. in association with IIT Bombay, CAD/CAM/Workshops, Energy Conservation Awareness workshop in association with GEDA for its students. The institute has also successfully organized Kite Flying competition, Ratri B4 Navaratri, and Sports activities.  Institute has also arranged blood donation drive and 329 units were collected from the students and staff members. Institute has organized many industrial visits and expert lectures for the students for supplementing the class room teaching. The institute has also conducted various events under the banner of E-Cell to nurture entrepreneurship talent of the students.

Successful organization of all the activities of such magnitude is not possible without wholehearted support of committed and experienced Trustees of Platinum Foundation. The name and fame of an institute depends on the caliber and achievements of the students and faculties. The role of the faculty is to nurture the skills and talents of the students as a facilitator. This magazine is going to showcase the strength of the Institute. Let this be a forum to exhibit the potential of faculties and students with their literary skills and innovative ideas. I extend best wishes for the success of this endeavor and also congratulate the team of the 'GIT: A Song of Technocrats' for their incredibly endless efforts for presenting this eighth issue of the annual magazine.

Dr N M Bhatt
Director

"Coming together is a beginning; keeping together is progress; working together is success"

It is a great privilege and pleasure to publish the eighth volume of our college magazine 'GIT – A Song of Technocrats' for the year 2015. It is a show-case of the academic, extracurricular and co-curricular talents and skills of faculties and students. The magazine offers a scan of achievements, laurels and acquisitions of the members of GIT. It has been a common platform for all the students and faculty members to bring out their expressions in the literary form. Indeed, the documentation has been a great source of motivation to the emerging youth.

At this juncture, we express our sense of gratitude towards the Director sir, Dr N M Bhatt for his constant encouragement and invaluable support and the editorial team of 'GIT – A Song of Technocrats' for their efforts and dedication showered in compiling and editing the articles resulting in timely publication of the magazine. We also show our heartily gratitude and acknowledge the enthusiasm, support and dedication imparted by all the people involved who have put in sincere efforts and contribution in making this magazine a reality.

We acknowledge with thanks the supports rendered by Hiren Trivedi and Hitesh Patel (Lab Assistant CE) for editing the articles.

With an optimistic intention of good beginning for the fresher students admitted in the first semester, an Orientation Program was held on 4th August, 2014 in GIT. For Convenience, the students were divided into two groups. Students of Computer Engineering, Information Technology, Electronics & Communication Engineering and Electrical Engineering attended the first session while the succeeding session was specially meant for and attended by the students of Mechanical Engineering and Civil Engineering.

The first session of the Orientation Program, began at 09:15 a.m. onwards in the Seminar Hall of the institute wherein the presentations were done by the Director, departmental Heads of the Computer Engineering, Information Technology, Electronics & Communication Engineering and Electrical Engineering, GTU Coordinator and Training and Placement officer. Following the GTU Coordinator's speech, the celebration of "Chalo College Abhiyan" took place. It began with the advent of eminent governmental officials hailed from GTU to our Institute and during their prestigious, presence, the rituals of Tilak ceremony took place. The students avowed to exert their best efforts in the constructive formation of the nation. The speech of Librarian took place following the students' pledge. It was followed by the Question- Answer Session. From 09:15 a.m onwards, the students of the other branches were made to take the visit of the Institute which was later preceded by instruction session and time-table distribution in different classes. A session for parents was scheduled during noon.

Dr N M Bhatt, Director of GIT & All the Departmental Heads

The next session of the Orientation Program for the students of Mechanical Engineering and Civil Engineering began at 01:30 pm onwards in Seminar Hall of the Institute that consisted presentations by the Director, Departmental Heads of Mechanical Engineering and Civil Engineering, GTU Coordinator, Training and Placement Officer and Librarian. It was followed by Question-Answer Session. On the other hand, right from 01:00 p.m, the students of Computer Engineering, Information Technology, Electronics & Communication Engineering and Electrical Engineering were taken for the visit of the college which was preceded by the instruction session and time-table distribution in different classes.

During the Orientation Program, the Director unraveled number of facets of the Institute including information about Trustees, Governing Body, Rules and Regulations of Institute, various facilities etc. The HODs gave detailed information about their respective departments. Teaching and examination scheme of GTU was presented by GTU coordinator of the institute. Information about training and placement activities was given by Training and Placement officer. The detailed information about the rich library resources of GIT was given by the Librarian. Both of the sessions were highly interactive and appreciated by the students.

Fresher Students and Faculties in Orientation Program

The placement scenario at GIT campus has always been extremely impressive. Most of our students have their career paths charted much before graduation. Almost 151 students from GIT got placed in 2014-15. Over time, our placement process has been refined to make recruitment as simple as possible for the students and companies alike. A team of dedicated placement committee volunteers work to ensure simpler logistics and all other related issues regarding campus placements. Placements has always been an important part of every student's life. This year the campus placement is flooded with the offers for GIT final year students, many of them got the offers even before they passed out. The placement calendar runs from September 2014 to June 2015.

### Alumni Talk

Hello everyone, I am from the Mechanical Dept. Each day that I passed in college, was enriched as I learned something new and good from my faculties and friends. My professors helped me a lot in academics as well as in non-academics. They gave me the confidence, acumen of diligence and belief. This college provided me the dichotomy between the school life and the real life and also helped me for my overall development. Every single experience was enriched. Management of each and every thing whether it is any fest, program or lectures was really great. Just because of these composite events, I got a glimpse of many new and innovative things. This College provides me the proper equilibrium in my life. I want to thank our director sir Dr N M Bhatt for providing this kind of atmosphere over the span of 4 years and I hope it will grow with the same pace in the upcoming time. When I was in final year, the most important thing came i.e. Placement. I had a confidence on my skills and I knew that whenever any opportunity comes in my way, I am going to nail it and it also happened.

I got a placement in Hi-Tech Out Sourcing and I want to be thankful to Mr. Snehal Barot (T.P.O.) for his hard work, for showing a constant support and in giving the intricate view of the company.

Hi - Tech outsourcing
Mechanical Engineering

I feel honoured to speak to you all through this column & share some feelings & experiences of my days that I spent in this prestigious institution. GIT has given wings of knowledge to my dreams, the courage to aim high and the growth oriented environment to work meticulously. This college always encouraged and supported my endeavors at various State & National level Techno-Symposiums. GIT upholds morals and has a fair and pleasant environment with conceptual learning & practical knowledge with maximum Industrial exposure to prepare us for the Current technological trends.

I extend my sincere gratitude to the Director, Dr N M Bhatt, for giving me a vision for tomorrow and building the confidence to persevere and scale the heights of excellence in me. My HOD and faculties have always been my guiding light and have led my every step with their constant presence and immense knowledge.

Thank you all for the support and the guidance.

Deep Pandit

Hello all, this is Darshan Gandhi and it's my pleasure to talk about GIT. First of all, I am thankful to almighty God and my parents and pre family GIT. Well to talk about GIT, a page wouldn't be enough to express my feelings toward GIT, where I had spent 4 golden years of my life. To summarize GIT, a place where you can learn, think, develop and innovate. Our Institute has the most experienced faculties, adequate laboratories and excellent resource centre. Our institute is not only renowned for academics but also for co-curricular activities like Kite festival, Cultfest, Jazba, sports week, GTU Tech fest and Ratri B4 Navratri. Being an engineer, practical knowledge is most important and for that purpose, GIT regularly organizes seminars, expert lectures and industrial visits.

I would like to thank my faculties, Head of the department, Director and our Governing body members.

Thank you all for the support and the guidance.

Darshan Gandhi

Mechanical Engineering

I am glad that GIT has given me such a wonderful lifetime experience to work as a placement coordinator for Civil Department. It was very good learning experience to work with our TPO sir - Shri. Snehal Barot. I have been able to develop several qualities and learn several skills like - leadership, team coordination, communication, motivation, which are the need of an hour for the technical professionals. At the same time, I have been able to know the real world scenario of my field of work - Civil Engineering, through the activity of placement coordination. I would like to insist my juniors to take maximum benefits of GIT Placement Cell, which is remarkably performing outstanding. In these 4 years, I made some life-long friends. The camaraderie and sportsmanship of the students in our college is beyond the comparison.

I wish all the GITians best of luck and look forward to carry lots of happy memories along with life lessons to my new workplace at Hi-Tech Out Sourcing.

Hi - Tech outsourcing
Civil Engineering

Journey of Bachelor of Engineering at GIT was a way beyond imagination. The culture, atmosphere, facilities and the level of outstanding teaching are what I was looking for the best of my career. I have successfully completed my B.E with humble support of the faculty members and gain the knowledge of various segments as well in the involvement of co curricular activities also. I got the desired of job in the reputed company MCBS Pvt. Ltd. from the campus placement process held at our college.

I really thankful to GIT for my overall development. This is the institute that believes in the enlighten and encouragement of the students to dream higher and higher. Apart from academics, the institute also supported extracurricular activities like GTU Tech fest, Ratri Before Navratri, and Kite Festival and co-curricular activities also.

I am happy to express my feeling toward GIT, because the opportunities created by GIT for me are the best I could ever get. The knowledge I got here is amazing because of the skilled faculty members and the atmosphere provided by the GIT. I must say, to study here is like a dream, came true for me. In my final year I got my desired profile at the company Santa Softech from campus recruitment process organized by the GIT.

I really want to thank GIT form the bottom of my heart for the life changing experiences.

Information Technology

Hello, I am Nisha Rewari and I am one of the students of GIT BE computer branch. When I joined this college, I had a fear in mind what to do and what not to do. What would be my future? But to be very honest, those hurdles never appeared and life at GIT was quite smooth Thanks to Director Sir, all the faculties, and all the people around. I started with a big dream of being an engineer and today I got a job as an engineer in a well reputed company and I can't stop thanking the GIT placement cell and our TPO sir for this.

GIT is a wonderful place to study. No one can have the kind of faculties who have been a great mentor over the period of time and have always guided us properly. Our faculties take a genuine interest in the students and are willing to offer more than their time and assistance. Regular meetings with the faculty advisors help us to short out our problems regarding personal, subjective and etc. An assortment of technical workshops and seminars are organized by the institute to provide us the knowledge of current trends of engineering industries, job search skills, and interviewing tips.

Thank You.

Nisha Rewari

GTU has introduced Open Source Technology Club initiative for all the GTU affiliated colleges in collaboration with Spoken Tutorial Project-IIT Bombay. To take the benefit of this opportunity, Gandhinagar Institute of Technology has established Open Source Technologies Club (OSTC).

During the academic year of 2015, we organized various workshop on Linux-Ubuntu, LibreOffice, PHPMySQL, C/C++, Java, Scilab, LaTeX, Firefox, Blender, Netbeans and Python for the Faculty Members and Students. Registered participants were given material including spoken tutorial videos, software installation files, and instruction manuals for installation of software provided by Spoken Tutorial Project-IIT Bombay.

All the departments have participated in various workshops of FOSS with the help of IIT-Bombay Spoken Tutorial Team.

Student Participated at C-102/A          Student Participated at C-102/B

**Total 243 Student were participated during the year of 2014-15**

To motivate and inspire the students,to equip them with necessary skills and to provide necessary assistance, GIT has set up Entrepreneurship Cell in the year 2014. Entrepreneurship Cell is an effort to encourage the students to look on entrepreneurship as a viable career option.

During the last year,E-cell conducted a series of seminars, workshops and expert lectures. These events depicted the various stages of being an entrepreneur, the first one was the ideation. So the first seminar titled 'Flash Venture' was organised. Seminar focused on the different stages of ideation viz, problem identification and solution, customer feedback, prototype designing and representation of the final product. The second workshop titled "Business Model Canvas" was organised with the aim of getting a clear concept about how to generate an innovative and economically sound business model. The student groups were asked to come up with an innovation and then were made to research and design the entire model on the basis of the ideas. The entire process was continuously monitored by the mentors who not only examined them, but also listed the shortcoming and helped them correct the flaws. The teams then presented their model in front of the mentors. The teams were given the certificate of excellence by judges. Various experts from the same domain were also invited to guide and motivate the students.

E-cell team is extremely indebted to the honourable Director Dr N M Bhatt for his immense interest and his valuable time and also committed to serve the purpose successfully with his support. Prof.Kinjal Adhvaryu and Prof.Mrugesh Khari are the faculty coordinators to support the E-cell activities.

### E-Cell Event Lists (2014-15)

| Event Type (Workshop/Expert Lecture) | Date | Conducted /Attended By | No of Participant |
|---|---|---|---|
| Workshop on Flash Venture – Advance | 22/08/14 | Shrey Patel, Fellow, GTU Innovation Council | 70 |
| Workshop on Business Model Canvas (Competition + Workshop ) | 26/08/14 | Dhruvin Bhatt, Fellow, GTU Innovation Council | 51 |
| Workshop on Ideation | 04/09/14 | Kaushik Akiwatkar & Kalpesh Bhatt Fellow. GTU Innovation Council | 22 |
| Two days Workshop on Ethical Hacking | 12/09/14 | Sunny Vaghela, White Hat Hacker | 140 |

### Halla Bol Event:

GTU and Suraksha Setu Karyakram had organized Halla Bol event for a Nobel cause for women safety and security. For propagating and spreading awareness of this Nobel cause to all female students and faculties, Halla Bol event was organized at GIT under Surksha Setu Society on 9th October, 2014.

Motive of this program was to aware female students, faculties of the college about various laws, services from the police, rights against women crime and emergency self-defense techniques. On successful completion of the event, Dr N M Bhatt congratulated the event coordinators for spreading Nobel awareness amongst the female students and faculty members.

Students' participation in Halla-Bol Event

### Self Defense Program:

At GIT, Women development cell continue to propagate and spread awareness of women safety and security to all female students and faculty members.

GIT and Suraksha Setu had organized 11 days self defence training program for girls students. Motive of this program was to train the girl students through self defense techniques which can be useful to them in future.

Self Defense training program for Girls

RC continued to engage in acquisition, technical processing and updating the collection and providing the platform for access of information sources to expand the horizon of information based to the community. RC motivates community for research and teaching by making available a wide variety of information resources relevant to curriculum. It responds to the changing academic, occupational, technological and cultural needs of the user community.

RC is fully automated. Every function of the RC has been operated by the software "SOUL 2.0". The SOUL 2.0 consists of Acquisition, Catalogue, Circulation, OPAC, Serial and Administration modules. Each module has further been divided into sub modules to cater to its functional requirements. Bibliographical details of the Project Reports are also included in the software.

The donations/complimentary resources of around 48 books from Dr N M Bhatt sir, Mr. Pinakin Patel, Spoken Tutorial Team-IIT-Bombay, Harvard Business Review and Outlook are accepted during the last academic year.

| Collection | Total Number |
|---|---|
| Books (Technical) | 12306 |
| Books (General) | 1272 |
| Books (MBA) | 2968 |
| CDs/DVDs | 1851 |
| Journals/Magazines | 45(J)+ 22(M) |

Total expenditure for the books, journals and Magazines is around 2 Lack for the year 2014-15.

SERVICES

1. Reference, Consultation & Circulation: Successfully carried out various reference queries related to books and e-journals during the year which helped students and staff members in their research and curriculum based studies/academic work. 35979 numbers of resources are circulated during the year.

2. Book Bank: The Book Bank facility helped the socially and economically weak students. During the year 15 students availed this facility and borrowed approximately 70 books from this collection.

3. Information Alert Services: Alerts for new arrivals, arrival of requested resources, details of forthcoming national and international events are regularly mailed to the staff members of the institute for their reference during the year.

4. Library Orientation: User education is an important regular activity of the RC to inform, alert, educate and train users about various resources and services of the RC. An orientation program was organized for newly admitted students for the 2014-2018 batch.

5. Reprography: Photocopying service is one of important services offered by RC. 0.5 Ps/Page is charged for photocopying. Photocopying is allowed only for RC material. Students and staff members used this facility for photocopying of previous years' question papers of various subjects and for photocopying of magazine and journal articles as well as from reference sources.

6. RC WebOPAC : There are 6 terminals available in RC for accessing available resources via search criteria like title, author, publisher etc and present status of the RC material and amount of book. also, By accessing the http://10.1.3.1/webopac/ link, one can get the status of the RC material as well as the account details of the member 24*7.

7. Automation: RC is fully automated. Every function of the RC has been operated by the software "SOUL 2.0". The SOUL 2.0 consists of Acquisition, Catalogue, Circulation, OPAC, Serial and Administration modules. Each module has further been divided into sub modules to cater to its functional requirements. Bibliographical details of the Project Reports are also included in software.

8. Membership: The institute is respective member of ISTE (Indian Society For Technical Education) and SESI (Solar Energy Society of India)

Talk to yourself at least once in a Day.. Otherwise you may miss a meeting with an EXCELLENT person in this World... | Tell me and I'll forget. Show me, and I may not remember. Involve me, and I'll understand.

Just know, when you truly want success, you'll never give up on it.
No matter how bad the situation may get

When you say "It's hard", it actually means "I'm not strong enough to fight for it".
Stop saying it's hard. Think positive!

### 1st Semester

| Sr. No | Enrollment No. | Name | SPI |
|---|---|---|---|
| 1 | 140120106029 | Hannanbeig Mirza | 8.23 |
| 2 | 140120106035 | Jha Supriya Devendra | 8.20 |
| 3 | 140120106092 | Ravi Nishant Shankar Ravidas | 7.83 |
| 4 | 140120106099 | Shah Harsh Maheshbhai | 7.83 |
| 5 | 140120106057 | Pansuriya Nishit Balubhai | 7.80 |
| 6 | 140120106098 | Shah Arpi Bhupendrakumar | 7.57 |
| 7 | 140120106104 | Shah Raj Jayesh | 7.50 |
| 8 | 140120106060 | Patel Apurva Arvindbhai | 7.47 |
| 9 | 140120106004 | Ashish Desai | 7.47 |
| 10 | 140120106001 | Aakash Shukla | 7.43 |

### 2nd Semester

| Sr. No | Enrollment No. | Name | SPI |
|---|---|---|---|
| 1 | 130120106088 | Rupani Mansi Chandrakant | 8.87 |
| 2 | 130120106015 | Bhavsar Vaibhav Narendrabhai | 8.63 |
| 3 | 130120106008 | Bhavsar Anish Ashokbhai | 8.50 |
| 4 | 130120106101 | Shah Shailee Vipulbhai | 8.47 |
| 5 | 130120106045 | Vyas Kishan Maheshbhai | 8.03 |
| 6 | 130120106032 | Gandhi Kunal Jayeshbhai | 8.00 |
| 7 | 130120106099 | Shah Nidhi Rakesh | 7.97 |
| 8 | 130120106026 | Drishya M Nair | 7.77 |
| 9 | 130120106029 | Gajjar Khyati Chetankumar | 7.77 |
| 10 | 130120106004 | Agrawal Pankit Shaileshbhai | 7.70 |

### 3rd Semester

| Sr. No | Enrollment No. | Name | SPI |
|---|---|---|---|
| 1 | 130120106015 | Bhavsar Vaibhav Narendrabhai | 8.85 |
| 2 | 130120106032 | Gandhi Kunal Jayeshbhai | 8.70 |
| 3 | 130120106101 | Shah Shailee Vipulbhai | 8.64 |
| 4 | 130120106004 | Agrawal Pankit Shaileshbhai | 8.39 |
| 5 | 130120106010 | Bansal Anpal | 8.27 |
| 6 | 130120106098 | Shah Meet Satishkumar | 8.24 |
| 7 | 130120106088 | Rupani Mansi Chandrakant | 8.18 |
| 8 | 130120106008 | Bhavsar Anish Ashokbhai | 8.18 |
| 9 | 130120106012 | Bhanderi Meet Vinodkumar | 8.18 |
| 10 | 130120106077 | Patel Vishwas Shaileshbhai | 7.94 |

### 4th Semester

| Sr. No | Enrollment No. | Name | SPI |
|---|---|---|---|
| 1 | 120120106010 | Lakhani Mohit Sureshkumar | 9.37 |
| 2 | 120120106003 | Raddiya Sagar Mukeshbhai | 8.17 |
| 3 | 120120106043 | Shah Yash Atulkumar | 7.80 |
| 4 | 120120106033 | Vaghasiya Kishan Nareshbhai | 7.67 |
| 5 | 120120106006 | Varsani Vipul Manjibhai | 7.57 |
| 6 | 120120106004 | Patel Darshak Jagdishbhai | 7.50 |
| 7 | 120120106002 | Trivedi Ashish Jayeshbhai | 7.47 |
| 8 | 120120106071 | Japadiya Princekumar Ishwerbhai | 7.30 |
| 9 | 120120106104 | Vora Mohammadhanif Mohammad Farooq | 7.17 |
| 10 | 120120106050 | Shah Aditya Mehul | 7.17 |

### 5th Semester

| Sr. No | Enrollment No. | Name | SPI |
|---|---|---|---|
| 1 | 120120106010 | Lakhani Mohit Sureshkumar | 8.93 |
| 2 | 120120106043 | Shah Yash Atulkumar | 8.50 |
| 3 | 120120106104 | Vora Mohammadhanif Mohammad Farooq | 7.77 |
| 4 | 120120106024 | Soni Malav Bhupeshkumar | 7.77 |
| 5 | 120120106033 | Vaghasiya Kishan Nareshbhai | 7.73 |
| 6 | 120120106031 | Kotadiya Jigar Rasikbhai | 7.73 |
| 7 | 120120106050 | Shah Aditya Mehul | 7.67 |
| 8 | 120120106011 | Patel Nihit Naresh | 7.60 |
| 9 | 120120106004 | Patel Darshak Jagdishbhai | 7.57 |
| 10 | 120120106032 | Khan Mohammad Asif Mumtaz Khan | 7.57 |

### 6th Semester

| Sr. No | Enrollment No. | Name | SPI |
|---|---|---|---|
| 1 | 110120106051 | Majmundar Raghav Tejasbhai | 8.40 |
| 2 | 110120106020 | Batti Asifali Sabbirbhai | 7.93 |
| 3 | 110120106025 | Prajapati Vikram Prakharam | 7.53 |
| 4 | 110120106052 | Majmundar Preksha Pranatrav | 7.40 |
| 5 | 110120106012 | Sareshwala Shaima Mohd Anzar | 7.37 |

### 7th Semester

| Sr. No | Enrollment No. | Name | SPI |
|---|---|---|---|
| 1 | 110120106051 | Majmundar Raghav Tejasbhai | 9.29 |
| 2 | 110120106020 | Batti Asifali Sabbirbhai | 8.71 |
| 3 | 110120106052 | Majmundar Preksha Pranatrav | 7.88 |
| 4 | 110120106059 | Nima Aashal Harihar | 7.88 |
| 5 | 110120106061 | Bhatt Parth Nileshkumar | 7.82 |

### 8th Semester

| Sr. No | Enrollment No. | Name | SPI |
|---|---|---|---|
| 1 | 100120106003 | Shah Kavisha Ashitbhai | 8.67 |
| 2 | 100120106051 | Pande Parth Mataprasad | 8.30 |
| 3 | 100120106012 | Upadhyay Rudra Niravbhai | 8.23 |
| 4 | 110123106008 | Shah Manthan Girishkumar | 8.17 |
| 5 | 100120106053 | Umat Harsh Bharatsinh | 8.10 |

Let us never be betrayed into saying we have finished our education;
because that would mean we had stopped growing

"Self confidence is the most attractive quality a person can have.
how can anyone see how awesome you are if you can't see it yourself?"

Computer Engineering

### 1st Semester

| Sr. No | Enrollment No. | Name | SPI |
|---|---|---|---|
| 1 | 140120107142 | Rupal Gyanani | 9.33 |
| 2 | 140120107125 | Patel Parthviben Bipinkumar | 9.20 |
| 3 | 140120107016 | Bhat Varun Prakash | 9.13 |
| 4 | 140120107053 | Hardik Soni | 9.13 |
| 5 | 140120107090 | Monika Shekhawat | 8.97 |
| 6 | 140120107051 | Gurwani Simran Vijaykumar | 8.80 |
| 7 | 140120107128 | Patel Utsav Vinodkumar | 8.80 |
| 8 | 140120107148 | Shah Margi | 8.80 |
| 9 | 140120107045 | Gandhi Ekta Rajeshbhai | 8.53 |
| 10 | 140120107131 | Patel Vvorna Hitesh | 8.53 |

### 2nd Semester

| Sr. No | Enrollment No. | Name | SPI |
|---|---|---|---|
| 1 | 130120107009 | Bhalani Prachee Shaileshbhai | 8.87 |
| 2 | 130120107034 | Jain Shalini Mukeshkumar | 8.73 |
| 3 | 130120107030 | Shah Heli Jigneshbhai | 8.70 |
| 4 | 130120107054 | Neelam Kumari | 8.70 |
| 5 | 130120107098 | Shah Setu Nilesh | 8.33 |
| 6 | 130120107027 | Ghosh Kajal Jagdishbhai | 8.20 |
| 7 | 130120107100 | Shah Yash Shailesh | 8.03 |
| 8 | 130120107126 | Vishal Prabhu | 8.03 |
| 9 | 130120107024 | Doshi Devesh Piyushkumar | 7.93 |
| 10 | 130120107123 | Vala Kinjal Jasubhai | 7.93 |

### 3rd Semester

| Sr. No | Enrollment No. | Name | SPI |
|---|---|---|---|
| 1 | 130120107034 | Jain Shalini Mukeshkumar | 8.85 |
| 2 | 130120107057 | Pandit Nikhil | 8.73 |
| 3 | 130120107100 | Shah Yash Shailesh | 8.58 |
| 4 | 130120107030 | Shah Heli Jigneshbhai | 8.42 |
| 5 | 130120107054 | Neelam Kumari | 8.39 |
| 6 | 130120107027 | Ghosh Kajal Jagdishbhai | 8.15 |
| 7 | 130120107116 | Thakkar Ankitaben | 8.12 |
| 8 | 130120107011 | Bhamboo Pooja Ramniwas | 8.09 |
| 9 | 130120107113 | Sweny Narendra Bagrecha | 8.09 |
| 10 | 130120107098 | Shah Setu Nilesh | 8.06 |

### 4th Semester

| Sr. No | Enrollment No. | Name | SPI |
|---|---|---|---|
| 1 | 120120107070 | Daultani Aarti Anilkumar | 8.43 |
| 2 | 120120107039 | Pandya Setu Rajeshkumar | 8.27 |

| 4 | 100120111063 | Khushbu Pandya | 9.40 |
| 5 | 100123111034 | Tank Brinda Rameshbhai | 9.40 |

The whole purpose of education is to turn mirrors into windows

If someone is going down the wrong road, he doesn't need motivation to speed him up.
He needs education to turn him around

Information Technology

### 1st Semester

| 2 | 140120116054 | Suterwala Munira Imtiyaz | 8.77 |
| 3 | 140120116102 | Shah Tejas Rupeshkumar | 8.63 |
| 4 | 140120116057 | Nair Privansi Vasudevan | 8.50 |
| 5 | 140120116056 | Nair Nishant Narayanan | 8.37 |
| 6 | 140120116039 | Joshi Shreya Chinmaykumar | 8.30 |
| 7 | 140120116121 | V Bhuvana | 8.30 |
| 8 | 140120116006 | Ahuja Aarti Prakash | 8.27 |

### 2nd Semester

| Sr. No | Enrollment No. | Name | SPI |
|---|---|---|---|
| 1 | 130120116023 | Divyani Patel | 8.27 |
| 2 | 130120116044 | Pandya Hinal | 8.23 |
| 3 | 130120116053 | Patel Himani Rajeshbhai | 8.20 |
| 4 | 130120116001 | Agarwal Ritika Ramprakash | 7.87 |
| 5 | 130120116019 | Dave Nandish Hardik | 7.83 |
| 6 | 130120116069 | Shah Anal Sanjaykumar | 7.73 |
| 7 | 130120116085 | Trivedi Manva Jyotindrabhai | 7.73 |
| 8 | 130120116082 | Tivari Ritu Vinod | 7.70 |

### 3rd Semester

| Sr. No | Enrollment No. | Name | SPI |
|---|---|---|---|
| 1 | 130120116019 | Dave Nandish Hardik | 8.39 |
| 2 | 130120116044 | Pandya Hinal Gopal | 8.33 |
| 3 | 130120116018 | Dalal Charmi Nimishkumar | 8.24 |
| 4 | 130120116001 | Agarwal Ritika R | 8.09 |
| 5 | 130120116009 | Bansari P Bhavsar | 8.09 |
| 6 | 130120116009 | Divyani Patel | 8.00 |
| 7 | 130120116009 | Mehta Vidhi R | 8.00 |
| 8 | 130120116009 | Bhut Vidhiben Ratilal | 7.91 |

### 4th Semester

| Sr. No | Enrollment No. | Name | SPI |
|---|---|---|---|
| 1 | 120120116058 | Bhatia Sneha A | 8.19 |
| 2 | 120120116001 | Patel Manali J | 8.10 |
| 3 | 120120116072 | Mishra Rashi K | 8.03 |
| 4 | 120120116013 | Bhavsar Jaini M | 7.97 |
| 5 | 120120116002 | Patel Janki J | 7.94 |
| 6 | 120120116071 | Rawal Pooja Kumari A | 7.94 |
| 7 | 120120116051 | Chauhan Dharatibahen N | 7.74 |
| 8 | 120120116028 | Vadera Shyam A | 7.65 |

### 5th Semester

| Sr. No | Enrollment No. | Name | SPI |
|---|---|---|---|
| 1 | 120120116001 | Patel Manali Jitendrabhai | 8.37 |
| 2 | 120120116013 | Bhavsar Jaini Mayankkumar | 8.33 |
| 3 | 120120116091 | Agrawal Jheel Jitendra | 8.17 |
| 4 | 120120116061 | Patel Toral Umeshkumar | 8.07 |
| 5 | 120120116002 | Patel Janki Jayantibhai | 7.90 |
| 6 | 120120116040 | Patel Binal Pareshbhai | 7.73 |
| 7 | 120120116014 | Shah Bhoomi Hetalbhai | 7.70 |
| 8 | 120120116020 | Shah Avani Jayeshkumar | 7.63 |
| 9 | 120120116036 | Oza Smit Sanjav | 7.63 |

### 6th Semester

| Sr. No | Enrollment No. | Name | SPI |
|---|---|---|---|
| 1 | 110120116006 | Jethava Himvarsha Natvarbhai | 8.83 |
| 2 | 110120116047 | Panagar Anushka Naresh | 8.79 |
| 3 | 110120116024 | Soni Ripalben Maheshkumar | 8.55 |
| 4 | 110120116003 | Malaviya Dhara Hareshbhai | 8.24 |
| 5 | 110120116005 | Dave Karan Milan | 8.17 |
| 6 | 110120116004 | Patel Aayushi Rakeshkumar | 7.86 |
| 7 | 120123116001 | Vyas Anjaniben Rajendrakumar | 7.83 |
| 8 | 120123116020 | Pandya Jalpabahen Kirtikumar | 7.76 |

### 7th Semester

| Sr. No | Enrollment No. | Name | SPI |
|---|---|---|---|
| 1 | 110120116047 | Panagar Anushka Naresh | 8.82 |
| 2 | 110120116024 | Soni Ripalben Maheshkumar | 8.50 |
| 3 | 110120116005 | Dave Karan Milan | 8.41 |
| 4 | 110120116052 | Batada Arlene Parviz | 8.38 |
| 5 | 110120116004 | Patel Aayushi Rakeshkumar | 8.24 |
| 6 | 110120116003 | Malaviya Dhara Hareshbhai | 8.18 |
| 7 | 120123116002 | Modi Priyanka Ashokbhai | 8.10 |
| 8 | 110120116006 | Jethava Himvarsha Natvarbhai | 8.00 |

### 8th Semester

| Sr. No | Enrollment No. | Name | SPI |
|---|---|---|---|
| 1 | 100120116095 | Bhatt Poonam | 9.4 |
| 2 | 100120116007 | Sheeni Saxena | 9.2 |
| 3 | 100120116026 | Shonkwani Jaivina Rajkumar | 9.2 |
| 4 | 100120116034 | Rishi Bhagya Rajesh | 9.0 |
| 5 | 100120116091 | Komal Bala | 9.0 |
| 6 | 110123116006 | Chandresh Shrimali | 9.0 |
| 7 | 100120116004 | Kashish Shah | 8.8 |
| 8 | 100120116009 | Deepak Sharma | 8.8 |
| 9 | 100120116020 | Maitry Shah | 8.8 |
| 10 | 100120116053 | Niraj Joshi | 8.8 |
| 11 | 110123116005 | Payal Kalwani | 8.8 |

Mechanical Engineering

### 1st Semester

| Sr. No | Enrollment No. | Name | SPI |
|---|---|---|---|
| 1 | 140120119216 | Sharma Prachi R | 9.10 |
| 2 | 140120119057 | Gupta Himanshi N | 8.87 |

Gandhinagar Institute of Technology organized Second Zonal level GTU TechFest on 12th and 13th February 2015 at the lush green campus of GIT. It comprised of more than 50 events which were from the various fields of Engineering, Management, Pharmacy, Architecture, Computer Science and many more. Various competitions motivated the students to bring out their inner skills. Dr Akshai Aggarwal, Honorable Vice Chancellor of Gujarat Technological University was the chief guest of the grand Inaugural function. Dr Aggarwal congratulated GIT for its front runner enthusiastic approach towards the Quality Education in today's cut throat competitive world. He added that motive behind the TechFest was to demonstrate that how technology can be imparted in society via various interesting ways. Dr N M Bhatt, Director of GIT shared his detailed vision over Institute's achievements and future plans. Trustee of the Platinum Foundation, Prof Ghanshyambhai Thakkar offered full support from management to take on any challenges in the future.

More than 3000 students from GTU Zone-2 institutes participated in this grand gala event. Various competitions related to the Robotics, Computer Programming, Electronic Circuit designing, Design of suspension bridge, Pharma model making, Patent track, Open source software event, event based on design of Earthquake resistant structure and business plan competition were among a few of it's a major attractions. Cash prizes of more than Rs 1 lakh and Certificates were distributed to the winners during the grand valedictory function in which Mr. J.C. Lilani, Registrar, GTU, was the chief guest. A workshop on CNC Milling machine was also organized during these two days with the great support from the Industries for the participants to have latest knowledge in today's industrial economy.

The participants found Dirt Rush GT (robo- race event) very much difficult as the track was designed with lots of hurdles. Robo-puzzle was also a major attraction in which robos had to perform tedious tasks. Search Spider (event based on Google hunt), Walk on Fire (event based on Laser light), Bomb Diffuser (based on circuit design concepts), event based on theme of re-use of waste water, Pharma Recipe (stereo pharma Model competition), corpoquiz (Business Quiz), Concours De Design (CAD competition) were among the few major attractions.

GIT Family is indebted to Mr. Vinay Rohera for providing endless support in all respects despite of his busy schedule.

Shri J. C. Lilani, Registrar GTU Distributing Prizes to the Winners during the Valedictory Function

Prof. Hardik Bhatt, Prof. Rahul Vaghela and Prof. Amit Patel successfully coordinated the whole event under the patronage of Dr N M Bhatt, Director of GIT. Mr. Naresh Jadeja and Mr. Mahesh Panchal of GTU offered splendid support. Mr Tirth Pathak (GS), Mr. Manthan Patel (SS), Miss Forum Mehta (LR) did a wonderful job during the whole event. Mr. Dhaval Shah (GIT) supported in congratulating way.

When one steps into college, one expects to gain experiences that would help in their holistic development. Being academically proficient or technologically superior isn't enough. Imbibing the culture of an institute plays an equally important role in shaping an individual. As an engineering student, the candidate has to be involved in more and some more activities. In order to learn something more apart from the theoretical knowledge, the students can enhance their knowledge by participating in technical and cultural fests organized by an institute.

Gandhinagar Institute of Technology, managed by Platinum Foundation, celebrated its grand gala annual cultural festival JAZBA 2014on 10th October 2014. It showcased more than twenty events including Antakshari, Quiz, Rangoli, Debate, T-shirt Painting, Singing, Dancing, Skit, Mr & Miss GIT, Face Painting, Cooking, Sand Art, Bhookhad, Laggy Cricket and many more. The day events were followed by musical evening program in which multi talented students from various branches had performed in various events like Skit, Solo & Duet Singing, Solo & Group Dance etc.

GIT Family is indebted to Mr. Vinay Rohera for providing endless support in all respects despite of his busy schedule.

Electrifying performance by famous Bollywood singer "HARD KAUR"

GITians showcased their talented performance

The atmosphere became electrified when Famous Singer Ms. Hard Kaur made her exceptional performance and became the central attraction of the evening program. ICE Gate, Parth Jewellers, Swastik Tiles were among the sponsors of JAZBA-2014. Huge Media coverage was also attained during the show. Director Dr N M Bhatt congratulated Mr. Tirth Pathak GS, Mr. Udit Vyas, AGS & his team for making JAZBA 2014 a grand success.

Success is a state of mind. If you want success, start thinking of yourself as a success

Self-trust is the first secret of success
49

Teaching a sense of culture and unity is the spirit of any Indian festival and Navratri is a portrayal of color, action, music and devotedness. The Navratri celebration is devoted to the worship of the Eternal mother, which has its origins in the Vedas. Durga is also considered to be a combination of the Trinity of goddesses. They are Saraswati, Parvati, and Lakshmi. During Navratri, these three main goddesses are worshipped as well. The central theme of Navratri is the triumph of good over evil.

Managed by Paltinum Foundation, Gandhinagar Institute of Technology organized Ratri before Navratri, at the front lawns of GIT on 24th September, 2014, Wednesday. Youthful students & faculty members of the Institute participated in this grand gala Annual Garba Event. Bhai Bhai Fame Famous Singer Mr. Arvind Vegda was a star attraction of the navratri night. He made the whole atmosphere electrified for almost four hours. Prizes were given to the winners of various categories including best costume, best solo dance, best group dance etc. Huge Media coverage was attained during the Garba Night. Director Dr N M Bhatt congratulated Mr. Tirth Pathak GS, Mr. Udit Vyas, AGS & his team for making Ratri B4 Navratri a grand success.

GIT Family is indebted to Mr. Vinay Rohera for providing endless support in all respects despite of his busy schedule.

The much awaited Annual Sports Meet was organized on 26th & 27th March, 2015 in the College Campus. Students and Faculties were at their harmoniest to organize panoramic programmes related to sports events. Gandhinagar Institute of Technology has formed a "Sports Committee" since academic year 2013 for bringing out talent in students and giving them a platform to perform in sports events organized by college, other colleges and GTU.

The whole event was organized not only inside the GIT Campus, but also at some prime Sports locations of Gujarat State. There are 8 sports activities conducted (4 outdoor & 4 indoor) where 600+ players in cricket, 400+ players in Volleyball, 250+ players in Kabbadi, 600+ players in badminton, 350+ players in Carom, 150+ players in Table-Tennis and 180+ players in Chess, have participated in the competition.

Dr N M Bhatt the director of GIT has inaugurated the event with an inspirational speech. He, being the leader of this event and having exceptional Management skills, guided to conduct the whole event very smoothly and successfully, especially organizing the event on one of the best outdoor grounds for cricket (S.P. Stadium), Football (Kahaani Club) & March-Pass inauguration event. He motivated the students to participate in sports activities as sports keep one physically and mentally fit and also inculcate discipline, brotherhood and true sportsmanship.

First time in GIT history, March-Pass inauguration event was organized at 23rd February 2015, where students have united in different colors and took an oath to play with enthusiasm and with the spirit of sportsmanship. In current year GIT has booked a State level cricket ground (Sardar Patel Stadium) for its final cricket match (21st March 2015) and State level Football ground (Kahaani Football Club) for its league as well as final matches (28-29th March 2015). In both the events, there were tremendous crowd and lots of supports for individual teams as well as for GIT.

Final Round Match at Kahaani Football Club

It is a matter of immense pride and satisfaction that Gandhinagar Institute of Technology has organized Annual Sports Activities 2015 successfully in the month of March. The support and influence for different sports activities from students as well as staff was tremendous and very energetic.

Sports Events have always been for students and by the students. Sports keep them physically and mentally fit and also inculcate discipline, brotherhood and true sportsmanship. Their hard work and desire to make an event success is second to none and GIT Annual Sport 2015 was one of the very good example of it. Students, faculty members and staff participated with great enthusiasm and showed their game spirit.

Gandhinagar Institute of Technology is always dedicated to enhance and extend the knowledge of the students. At present the world is moving towards the Automobile Engineering. To get the practical knowledge of this field a two day national level workshop "RoboTryst" is hosted by Department of Mechanical Engineering and organized by Robospecies in association with Tryst IIT Delhi on 5th and 6[th]September, 2014. The workshop is a part of series of the national level workshop held by Robosapiens to encourage and motivate the students about Automotive. The workshop also facilitate the entry of the winner to the Nation Level competition RoboTryst -2015 to be held at IIT Delhi during 2015.

FACULTY COORDINATORS:

1. Prof. Umang Patdiwala, HoD, ME,GIT
2. Prof. Hitesh Patel, ME,GIT
3. Prof. Hardik Gohel, ME,GIT

STUDENT COORDINATORS:

1. Baid Piyush Manoj KUMAR (5[th]Sem).
2. Jerin Johny (5[th]Sem).

WORKSHOP OBJECTIVES:

This workshop was designed to provide an insight view in the field of automotive and engine design to the students. To explain the concepts in detail with the help of theory and with dedicated animations to enable students to visualize things before practically working on it.

ACTIVITY OF DAY 1:

The workshop officially started by 10.00 AM after the formal inauguration ceremony from, Mechanical Engineering Department. VibhuTyagi was heading the session of day one, which was basically a theory session including various topics of automobile engineering. Session went on filled with inspiring, motivating and informative interaction. Student showed up their deep enthusiasm towards it. Trainer and the students both put their best and the session got a pause at 4.30 pm.

ACTIVITY OF DAY 2:

The theory session again continued with revitalized energy on the second day and completed by the lunch at 12.00 of noon. Practical session was followed after the lunch. During this session assembly and disassembly of an engine was shown, concluding by demonstrating the working of the assembled engine!Entire strength of participants was divided into twenty (each consisting of 5 members) groups and then sent in batches for practical session which was being headed by the two trainers of Robotryst. The participants had loads of queries opening a new horizon of technical awareness with their answers. After the end of practical session we had a quiz and feedback round reflecting the outcome of the two day long workshop. Thereafter certificates and software kits were distributed to students.

Finally with the extreme support of college management, excellent work contribution of the organizing team and enthusiastic participation of the students, we successfully reached the end of the event by 6.00 pm.

62

The difference between a successful person and others is not a lack of strength, not a lack of knowledge, but rather in a lack of will

The secret of success in life is for a man to be ready for his opportunity when it comes

63

Theory Session

Practical Session

BAJA Student India™, is a student design competition which follows the standards of the international BAJA SAE® competition held all over the world in various countries. The objective of the competition was to simulate real world engineering design projects and to provide students with a challenging project that involves the planning and manufacturing task. When introducing a new product to the consumer industrial market.

The Journey of Team Renoster's had started with written test and Personal Interview (21 members selected on 24th April 2014): The written test and personal interviews helped in determining who, amongst those who applied to be a part of the team had shown unwavering dedication to the cause while possessing the prerequisite technical and non-technical skills.

After the design was properly developed, using various mechanical softwares like PRO-E. ANSYS etc., the task to manufacture the machine was upon the team. The primary task of the manufacturing process was the fabrication of the roll cage. This was initiated as soon as the design was over and with procurement of raw materials. With the help of the welding expert in workshop, the Team had learned MIG welding and then applied those skills to fabricate the roll cage. Problem that we had encountered during fabrication was much factual about subjects. And fabrication was done by the end of September. Meanwhile, all required subassembly parts were bought from various dealers and stored in the workshop with following various processes like acquiring quotations and putting up P.O.s etc. The steering rack and pinion of Tata Nano was chosen due to its compatibility with the design

The brake assembly from Apache RTR 180 was obtained. The powertrain assembly was ordered from Atul Shakti as it best matched the calculations of the Team. In late October the heart of the vehicle, a Briggs and Stratton 305cc, 10 hp engine was shipped by air.

The next step was the assembly which was a critical job as this could literally affect the driver's life and safety. A lot of scrutinizing was required during this phase and any deviation from a planned course of action would be disastrous. The Team fabricated A-arms, connected them to the roll cage and tested for the appropriate position of the shock absorber. Once that was done, the vehicle was capable of being supported by wheels. After that, the steering, braking and power transmission assemblies were mounted on the vehicle.

Student manufacturing "All-terrain vehicle" for BAJA student India completion

The event was graced by the presence of the trustees of the college and parents of the students. The event was also attended by news media from the Sandesh TV News channel and Sandesh newspaper, Gujarat Samachar, Ahmedabad Mirror etc. On 28th December the vehicle was loaded and transported to NIT, Jamshedpur. The vehicle was accompanied by 21 of the team members and two faculty advisors.

The first three days of the event involved implementing changes that judges suggested for our vehicle. And continued for the static event consists of a design evaluation, A cost report analysis and a sales presentation. Day four included technical inspections, brake testing, and engine inspection. The Team cleared all of the inspections without much trouble. Day five of the competition includes dynamic testing of each vehicle. The vehicles are challenged by a suspension course, a manoeuvrability course, a sled pull, and a speed and acceleration test. Day six held the culminating event in which the student teams competed in a four-hour endurance race reminiscent of Formula One races.

This event was held over a one and one half mile course that was built with the sole purpose of testing the capabilities of each of the off-road vehicles. Each team receives points for each lap completed in the four hour time frame. The Team, despite unforeseen adversities, managed to complete 45 laps (Stood 10th Position in endurance) and was the only rookie team to actually complete the entire endurance event.

Launching of vehicle on 26th Dec'14, By Trustee and Director

Student performing various tests on 6th to 11th January 2015 in NIT Jameshepur : Technical Inspection, Manoeuvrability Test, Endurance Test Event

Event Sponsors:

Atul Shakti, Khodiyar CAD centre, Gujarat Steel Distributor, Ishwar Jyot, Parshwanath Travels

66

Experience shows that success is due less to ability than to zeal.
The winner is he who gives himself to his work, body and soul

Along with success comes a reputation for wisdom

67

Workshop date: 22nd and 23th Sept, 2014

Gandhinagar Institute of Technology is always dedicated to enhance and extend the knowledge of the students. Currently world is moving towards the automation and robotics. To get the practical knowledge of this field a two days national level workshop "Robo Autometa" is hosted by Department of Mechanical Engineering and organized by Robospecies in association with SporTech -15 IIT Delhi on 22nd and 23rd September, 2014. The workshop is the part of series of the national level workshop held by Robospecies to encourage and motivate the students about robotics and automation. The workshop also facilitates the entry of the winner to the Nation Level competition RoboZest -2015 to be held at IIT Delhi during 2015.

WORKSHOP OBJECTIVES:

The workshop is designed such that student can learn the basic programming skill required for automation and robotics and also can make simple robots.

ACTIVITY OF DAY 1:

The workshop started with formal inauguration ceremony followed by the fascinating audio visuals covering the latest trend and future scope of Automation and robotics. The theory part is conducted by Mr. Rahul Tiwari. He explains the topics like robotics and its practical application. After that kits are distributed among the students. The kit contains necessary components to build and run the robot (i.e. robot chassis, microcontroller, motors, wheels, batteries, basic shield, motor driver shield etc.) Students learned the programming language for microcontroller and how to upload that programme. The workshop is ended at 4:00 pm.

ACTIVITY OF DAY 2:

The following day students learned about basic shield and how to play with input and output of microcontroller. They get the knowledge of motor driver IC L293D and motor driver shield. Using all this knowledge and information they have built line follower robots. Near the end of workshop a tournament is held between the robot and the strength of different group is checked. The workshop is ended with announcement of winners and certificated distribution.

On dated 18th October 2014, there was an official Inaugural Function of ISHRAE Student chapter at GIT by ISHRAE Ahmedabad chapter.

In this Ceremony Mr. Darshan Dave (President of ISHRAE Ahmedabad Chapter), Mr. Arvind Vegda (Past President of ISHRAE Ahmedabad Chapter), Mr. D M Shukla (Past President of ISHRAE Ahmedabad Chapter), Mr. D N Shah (Past President of ISHRAE Ahmedabad Chapter), Prof. Hardik Shukla (Student Chair), Mr. Sunil Bhatia (CWC Member & Publication head) and Mr. Rajendra Mevada (Administrator) from ISHRAE Ahmedabad chapter and Dr N M Bhatt (Director of GIT), Prof. U J Patdiwala (Head of the Department) were present.

The oath taking function was held after inauguration ceremony, where the president of Ahmedabad ISHRAE chapter made the students to take an oath. The following members had taken oath for the allotted positions they are:

Kunj Patel as a President of GIT Student Chapter
Neel Panchal as a Secretary of GIT Student Chapter
Vedang Patel as a treasurer of GIT Student Chapter
Jainil Patel as a CWC member of GIT Student Chapter
Divyesh Jain as a CWC member of GIT Student Chapter
Sidharth Tiwari a as CWC member of GIT Student Chapter
Prof. Ruchir Parikh as a Faculty Advisor of GIT Student Chpater

The members of GIT Student Chapter had taken the oath like they will be enthusiastic and active in any circumstances. They also pledge to be honest and loyal to the work given to them in any situation. They also assured to follow the rules and regulation honestly. Members are ready to take active participation in all events organized by the Society.

After the oath acceptance there were some special speeches given by Prof. Hadik Shukla, Mr. Arvind Vegda, and Dr N M Bhatt Sir. Director of GIT had discussed the basic society needs of and condition regarding the concept of Refrigeration and Air-Conditioning, HVAC to the president. President has accepted all requirements and agreed to full fill them as much as possible

The whole function was celebrated enthusiastically by every member of GIT.

Inauguration function of ISHRAE Student
Chapter at GIT

Mr. Darshan Dave President of ISHRAE
Ahmedabad Chapter

68

When you say "It's hard", it actually means "I'm not strong enough to fight for it".
Stop saying it's hard. Think positive!

Just know, when you truly want success, you'll never give up on it.
No matter how bad the situation may get

69

OATH Taking Ceremony of ISHRAE Chapter Members

Dr N M Bhatt , Director GIT

Mr. Arvind Vedga, Past President of ISHRAE Ahmedabad Chapter

Prof. Hardik Shukla, Student Chair, Ahmedabad Chapter, ISHRAE

ISHRAE Society Members with GIT Student & Faculty Advisor

ISHRAE (Indian Society of Heating, Refrigerating and Air Conditioning Engineers) arranged its Annual Exhibition ACREX 2015 at Bangalore from 26th to 28th February, 2015. As a part of the event, the Annual National Student Quiz aQuest-15 will be conducted during their exhibition. For that, qualifying rounds were organized by all student chapter of India associated with this chapter. ISHRAE Ahmedabad Student Chapter had completed their qualifying rounds on 16th November, 2014 at AMA, Ahmedabad. There were total 7 teams from the Ahmedabad region. Our college had one team among that. Each team comprised 2 students. List of teams are as follow.

| Name of Participating College | Teams |
| --- | --- |
| L D College of Engineering | 2 |
| Pandit Deendayal Petroleum University | 2 |
| Gandhinagar Institute of Technology | 1 |
| Ahmedabad Institute of Technology | 1 |
| Universal College of Engineering | 1 |

Our College was represented by Jainil Dave (5th Sem. Mechanical) and Karan Soni (5th Sem. Mechanical) under the guidance of Prof. Ruchir Parikh (Faculty coordinator of ISHRAE Ahmedabad – GIT student chapter). There were total 5 rounds, Individual group question, Burger round, Rapid fire round, Judges choice round and Visual round. Each Team was asked questions on topics ranging from Basics of Mechanical Engineering, Thermodynamics, Fluid Mechanics, Heat & Mass Transfer, Refrigeration & Air-Conditioning and few concepts from Green building concepts and Energy conversation approach

Out of the 7 Teams, only 1 team was shortlisted for the aQuest-15 Bangalore. Amongst the 7 teams, our College was on 2nd position. This was in itself an achievement since it meant being in top 20% of the Student Chapters and motivational effort for other students. The event is hosted by Mr. Arvind Vegda (Famous Gujarati Singer).

Dr N M Bhatt (Director-GIT), Prof. Ruchir Parikh (Faculty Coordinator) with Janil Dave and Karan Soni. Congratulations to Jainil Dave and Karan Soni for making all of us at GIT proud by standing on 2nd position in region Level event!!

Challenges are what make life interesting and overcoming them is what makes life meaningful

The more we come out and do good to others, the more our hearts will be purified, and God will be in them

Dalai Lama opines, "If you want others to be happy, practice compassion. If you want to be happy, practice compassion." The deed that is done out of compassion for the well-being of others, shines forever and fills oneself with contentment of being a part of something enormous. This humanitarian perception led the institute to participate in the noble cause of donating blood as a part of social responsibility.

Gandhinagar Institute of Technology (GIT) is a leading institute affiliated with Gujarat Technological University (GTU) offering Under Graduate (UG) and Post Graduate (PG) study programs in Engineering and Management. Headed by visionary Director Dr N M Bhatt,GIT has successfully achieved its leading position in the field of academics as well as co curricular activities. As a part of its social responsibility, GIT regularly conducts various youthful activities. Keeping this tradition alive, two major Blood Donation Drives were organized on17th September, 2014, Wednesday and12th March,2015 Thursday respectively in the Institute premises in association with Civil Hospital; Ahmedabad and Lions Club;Kalol and Giants Group;Kalol. Chief Coordinator Dr N M Bhatt motivated GIT fraternity with a brief speech which emphasized the importance of Blood Donation activity for a healthy society and a healthy nation. Dr Bhatt congratulated GIT family for being the best engineering college and bagging the award from GTU as an outstanding blood donor in past years.Stimulated gathering started the Drive and a total of 150 (one hundred and fifty) and 179 (one hundred and seventy nine) units of blood were donated respectively. Prof. Hardik Bhatt and Prof. Ruchir Parikh successfully coordinated the drive with the fullest support from Mr. Dhaval Shah (Officer) and vivacious GIT family. Mr.Rahul Patel a student, of GIT and his team of volunteers did a wonderful job for the successful execution of the Drive. GIT once again proved a helping hand to the society in its odd times.

Dignitaries present at "Blood Donation Camp"

Donors Screening Test

Blood Donated by GITians

In the recent study it is found that approximate 2% of Indian population (as per 2014 estimate) is carrying Thalassemia trait and it's on the rise. There are more than 5000 children who are on constant blood supply to stay alive.

Gandhinagar Institute of Technology has been actively involved in Thalassemia eradication program through awareness, screening and counseling within campus. If we can prevent a Thalassemia Major Child born out of wedlock by pre-screening, we can eradicate the problem.

In the year 2014, Gandhinagar Institute of technology has appointed Indian Red Cross Society that has conducted Thalassemia awareness & testing programme. By this the Institute has not only educate the young generation but will make them cautious about the next safe step to prevent Thalassemia. Following are the details of the Thalassemia Camp.

Thalassemia Testing

| Dates of Thalassemia testing | Total Number of students enrolled in the institute in 1st Year | No. of students tested for Thalassemia | Thalassemia Testing (%) | No of students Thalassemia Minor | Date of Second counseling |
|---|---|---|---|---|---|
| 19/08/2014 | 748 | 498 | 66.57 | 11 | 21/11/2014 |

72

The man who will use his skill and constructive imagination to see how much he can give for a dollar, instead of how little he can give for a dollar, is bound to succeed

The secret of success is constancy to purpose

73

Gandhinagar Institute of Technology (GIT) celebrated International Yoga Day on 21/06/2015, Sunday morning during 6:30 am to 7:34 am at the Front Lawns Nr. Open Air Theatre at the Institute premises. The program was executed successfully with technical support from Mr. Devangbhai and his team from "FIT Yoga and Fitness Studio", Nirnaynagar, Ahmedabad.

The program began with a brief speech of Dr N M Bhatt, Director, GIT and Dean GTU. In his address to the gathering, he put emphasis on importance of Yoga in daily life and showed how such practice can be useful in studies and profession. He congratulated GIT family for their enthusiastic approach towards Yoga. He added that Yoga offers benefits like glowing skin, flexible body, peaceful mind and many more. Hon'ble Prime Minister Mr. Narendra Modi's message on International Yoga Day was then delivered.

After PM's motivational words, Yoga was performed by the energetic and vibrant GIT family under the guidance from Mr. Devang and his team. Various Asanas and Pranayam were performed including Pavanmuktasan, Trikonasan, Makarasan, kapalbhati pranayam etc. Huge crowd including staff and students of GIT did an awakening Yoga session and decided to impart Yoga in their daily life in future. The program ended with the patriotic tunes of National Anthem.

International Yoga Day Celebration

The concept of Lean Manufacturing was pioneered by a Japanese automotive company, Toyota, during 1950's which was famously known as Toyota Production System (TPS). The Lean Manufacturing approach is meant to transform non-value added activity into value added activity. Lean manufacturing is a manufacturing concept in which its ultimate goal is to achieve efficient production through comprehensive approach to minimize wastes or muda. To put it into context, it literally means eliminating over production and excess inventory, eliminate wasteful movement of material and human motion, waiting and delays, the need for rework or corrections and wasteful process. They have a golden opportunity to downsize their cost, customer lead-time and cycle time through the application of Lean Manufacturing technologies.

Benefits from lean manufacturing are to Identify problem areas and bottlenecks, to increase business efficiencies which make sure that staff time is spent on value-added activities, to save money by reducing overhead in paperwork, to Simplify processes and increase productivity.

All manufacturing industries have put in continuous efforts for its survival in the current impulsive and competitive economy. The survey results revealed that 31.6% of the companies have implemented different lean tools and techniques in selected areas. The remaining 68.4% of the companies have not yet taken up the lean initiatives. Lean manufacturing concept should be applicable to different types of industries like Service Industry, Printing Industry, Auto Industry, Garment sector, Furniture industry, Textile Machinery, Health Care Sector, Construction, Process Industries etc.

Lean manufacturing defines seven types of waste that make a production system inefficient and costly. These are:

- Over-production: Producing too much, too soon.
- Inventory: Extra production required to buffer process variability.
- Transportation: Movement of materials without adding value.
- Waiting: Increasing production cycle time without adding value.
- Movement: Movement of operators without adding value.
- Defects: Product that does not conform to customer specifications.
- Over-processing: Processing a material more than is necessary to meet customer specifications.

Traditionally operated garment industries are facing problems like low productivity, longer production lead time, high rework and rejection, poor line balancing, low flexibility of style change over etc.

These problems were addressed in this study by the implementation of lean tools. After implementation of lean tools, results observed were highly encouraging. Some of the key benefits entail production cycle time decreased by 8%, number of operators required to produce equal amount of garment is decreased by 14%, rework level reduced by 80%, production lead time comes down to one hour from two days, work in progress inventory stays at a maximum of 100 pieces from around 500 to 1500 pieces.

In the furniture industry there are millions of components that make the task of implementing lean manufacturing system more difficult due to the complexity of the product mix. There are many techniques associated with lean manufacturing.

The applicability of those techniques in high product mix environments such as the furniture industry stumble on a variety of obstacles, primarily due to their diverse product mix with many dissimilar routings. Even though some of the standard elements of "Lean", such as work place organization (5S), set-up time reduction could be applied to these manufacturing environment. There is a need for new approaches and specifically suited tools.

The implementation of lean philosophy in a textile machinery manufacturer, with a focus on elimination of process bottle necks and optimizing the process layout. Value stream mapping was the main tool used to identify the opportunities for various lean techniques. The primary motive is to evolve and test several strategies in the elimination of bottle necks on the shop floor by the incorporation of a layout modification and a versatile automation strategy. Simulation models are built for the inherent processes and the denouements of such changes modeled and analyzed. The effects of lean and the value addition by automation are clearly demonstrated by the simulation. A noticeable reduction in lead time and work-in-process inventory level is achieved.

In a recent publication by the Institute of Healthcare Improvement, two health care organizations in the US showed positive impact on productivity, cost, quality, and timely delivery of services after having applied Lean principles throughout the Measuring Lean Initiatives organization. Lean thinking in healthcare in eliminating delay, repeated encounters, errors and inappropriate procedures. It also measured the following metrics related to patient flow, service, and growth from before and after implementation: time from ED arrival to ED departure (length of stay), patient satisfaction, percentage of patients who left without being seen by a physician, the time from ordering to reading radiographs, and changes in patient volume.

Investigations of the construction production process indicated that construction activities are typically only 10 percent value adding (VA). If a contractor could improve the VA portion to just 15 or 20 percent, the lean contractor would have a significant competitive advantage. However, when one looks at construction operations with "lean eyes," little standardization or preplanning is evident. In fact, the construction process includes little that manufacturing engineers would recognize as production planning or production engineering. Often, the design of construction operations is consigned to the individual crews. While the crew members often have the skill and experience to design specific construction operations, typically they do not have the training or the mind-set that will lead to a lean operation.

In Automotive Industry, companies should apply lean concept to take the benefit likeToyota Motor Company-Toyota Production System, Ford Motor Company -The Ford Production System, Chrysler-Chrysler Operating System, Porsche- the Porsche Improvement Process, General Motors NUMMI joint venture with Toyota.

Behind that entrepreneur, there is me a teacher..... Behind that Manager, there is me a teacher.....

Behind that Engineer, there is me a teacher.....Above those astronomers, there is me a teacher.....

I carry the light even though they mostly make jokes of me but I am a teacher......

I don't qualify for LIG housing scheme nor earn enough money to buy an expensive one but yes I am a teacher.....

Some persons think or even say that I have so many holidays, never knowing that I spend those holidays in either correcting papers or planning what and how I am going to teach when I go back to college.... because I am a teacher.....

Sometimes I get confused and even get stressed by the ever changing policies by the politicians who have political power over what and how I have to teach... despite that all I am a teacher and I have to teach and I am teaching....

The main source of my satisfaction is when I see them growing, succeeding, having all those assets, bravely facing the world and its challenges and I say yes I have taught in spite of living in world opened by Google... because I am teacher.... Yes I am teacher.....

It doesn't matter how they look at me, It doesn't matter how much they earn than me, It doesn't matter that they drive and I am walking because all what they have is through me a teacher whether they acknowledge me or not.... I am a teacher.......

M & H Department

My mother was a teacher. She was managing kindergarten. 'Whatever I am today, I owe it to my mother'.

Here, I am presenting a nice story with moral and inspiration. Please go through.

A kindergarten teacher decided to let her class play a game.

The teacher told each child in the class to bring along a plastic bag containing a few potatoes.

Each potato will be given a name of a person that the child hates.

So the number of potatoes that a child will put in his/her plastic bag will depend on the number of people he/she hates.

So when the day came, each child brought some potatoes with the name of the people he/she hated.

Some had 2 potatoes; some had 3 while some had up to 5 potatoes. The teacher then told the children to carry with them the potatoes in the plastic bag wherever they go for one week.

Days after days passed by, and the children started to complain due to the unpleasant smell let out by the rotten potatoes. Besides, those having 5 potatoes also had to carry heavier bags. After 1 week, the children were relieved because the game had finally ended...

The teacher asked: "How did you feel while carrying the potatoes with you for one week?"
The children let out their frustrations and started complaining of the trouble that they had to go through having to carry the heavy and smelly potatoes wherever they go.

Then the teacher told them the hidden meaning behind the game.

The teacher said: "This is exactly the situation when you carry your hatred for somebody inside your heart. The stench of hatred will contaminate your heart and you will carry it with you wherever you go. If you cannot tolerate the smell of rotten potatoes for just one week, can you imagine what is it like to have the stench of hatred in your heart for your lifetime???"

Moral of the story:

Throw away any hatred for anyone from your heart so that you will not carry sins for a life time. Forgiving others is the best attitude to take!

"Look at the sky", someone says.
"Is it blue?" Someone asks.
Viewer says, "Yes, It is".

After few minutes...
White clouds cover the sky...
"Is it blue?" Someone asks again.
Viewer says, "No, it is white".

After few minutes...
Ash clouds cover the sky...
"Is it blue?" Someone asks again.
Viewer says, "No, it is ash".

Would you like to be the sky which doesn't change its original color though clouds covers it at all??

Would you like to be the clouds which always try to hide the original color of the sky??

Would you like to be the viewer who never comes to know about the sky when clouds cover the sky's true color??

Your answer will make your own another story!!

Imagine there is a bank account that credits your account each morning with Rs. 86,400. It carries over no balance from day to day.

Every evening the bank deletes whatever part of the balance you failed to use during the day. What would you do? Draw out every Rupee, of course?

Each of us has such a bank. It's name is TIME.

Every morning, it credits you with 86,400 seconds.

Every night it writes off as lost, whatever of this you have failed to invest to a good purpose.

It carries over no balance. It allows no over draft. Each day it opens a new account for you.

Each night it burns the remains of the day.

If you fail to use the day's deposits, the loss is yours. There is no drawing against "tomorrow."

You must live in the present on today's deposits. Invest it so as to get from it the utmost in health, happiness and success!

The clock is running!! Make the most of today.

Yesterday is history. Tomorrow is a mystery. Today is a gift. That's why it's called TIME IS MONEY

A 24 year old boy seeing out from the train's window shouted...

"Dad, look the trees are going behind!"

Dad smiled and a young couple sitting nearby, looked at the 24 year old's childish behavior with pity, suddenly he again exclaimed...

"Dad, look the clouds are running with us!"

The couple couldn't resist and said to the old man...

"Why don't you take your son to a good doctor?"

The old man smiled and said...

"I did and we are just coming from the hospital, my son was blind from birth, he just got his eyes today."

MORAL .....

Every single person on the planet has a story. Don't judge people before you truly know them? The truth might surprise you.
