A Report on  
**Farewell Function 2022**  
18<sup>th</sup> June 2022, Saturday

## **Introduction:**

Gandhinagar Institute of Technology celebrated Farewell Function Celebration on 18th June 2022, Saturday. Owing to the ongoing coronavirus pandemic, with certain precautionary measures, GIT Management, Dr. H N Shah Sir (Director, GIT), faculty members and students celebrated the Day. A farewell is an emotional rollercoaster where you are happy about the achievements in your life and at the same time sad because this is the day you will have to say goodbye to your friend. A farewell is the end of our student life but not the end of our relationship and bond that we have built over the years. Farewell makes most of us emotional, specifically when it comes to saying it to college which is like our second home.
