A Report on

“Alumni Talk Series - Abhivyakti”

Webinar conducted by Mr. Pinakin Dave
(ISO certifications (IMS) and it's briefing)

(11th July 2020, Saturday)

Alumni Talk at a Glance:

- Date: 11-07-2020, Time: 08:30 PM, Platform: Google Meet
- Invited Alumnus: Mr. Pinakin Dave,
Assistant Engineer, Maxxis Rubber India Private Limited,
Sanand.
- Passout Year: 2018 ME dept.
- Host: Prof Vineeta Nishad & Moderator: Prof. Maulik Sukhadiya
- Around 46 participants attended the alumni talk including students, faculties and alumni and learned about how to become successful as well as learned about ISO Certification.

Objective of the event:

The objective of the Alumni Talk Series - ‘Abhivyakti’ is to organize interactions on a digital platform among current students and alumni on career opportunities and emerging trends of industry in different domains. The experiences and knowledge of alumni who have excelled in performance in their respective fields can motivate and guide the current students of GIT.

Brief Profile of the speaker:

Mr. Pinakin Dave has pursued his Bachelor’s degree in Mechanical Engineering from GIT in 2018. He had participated in many technical as well as non-technical events held at GIT in his college days. Mr. Harshil is a great singer and he performed in Jazba several times. Right now, he is working at Maxxis Rubber India Private Limited, Sanand as an Assistant Engineer.

Activities during the event:

Under the banner of Gandhinagar Institute of Technology Alumni Association (GITAA), GIT invited his Alumnus Mr. Pinakin Dave of batch 2014-2018 from Mechanical Engineering department for an expert session on “ISO certifications (IMS) and it's briefing”. He is working as Assistant Engineer. In Maxxis Rubber India Private Limited, Sanand.

The expert session was held on 11-07-2020 during 08:30 to 10:15 PM on Google Meet platform. Prof. Maulik Sukhadiya gave an introductory speech about the speaker of the session Mr Pinakin Dave. Around 46 students, alumni and faculties participated in this expert talk on ISO Certification “Audit” Field. Alumni Mr Pinakin Dave inspired the students with the story of his journey in Mechanical field. He explained about the opportunities for an ME engineer in the fields of Audit Industry. He gave the details of the process and planning on levels in ISO Certification technology.

He guided the students about the necessary skill sets to be developed for becoming industry ready like various programming languages- Safety, Calibration, 1 to 10 Clauses under ISO certification as ISO 9001:2015, ISO 14001:2015 and ISO 45001:2018.with details of Quality Management

System (QMS), Environmental Management System (EMS) and Occupational Health and Safety Management System (OHSMS). He also motivated students to be responsible towards their Family, Institute, Society and Nation. He also talked about how to prepare for an interview and how to overcome challenges. He solved many queries of the students regarding career choices and job opportunities in ME domain. The session was concluded with vote of thanks given by faculties of the ME department.

Outcomes of the event:

The Alumni Talk has facilitated interactions of students with alumni for career development & skills needed for grasping better job opportunities. The students were very enthusiastic to learn about present industry scenario in Why ISO needed.

Feedback from students:

It was such an informative webinar as we got many things to learn apart from ISO certification base also I want to join all next webinar.

- Vaja Megha Bipinbhai
5th BE (ME) (190123106004)

It was such a related topic that how create informative webinar.

- Patel Joy
5th BE (ME) (170120119059)

Feedback from Alumni students:

I am very thankful to ME dept for organizing such an interesting webinar. Need more seminar like this.

- Kunj Sukhadiya
6th BE (EE) (170120721003)

Feedback from faculty:
