

**Gandhinagar Institute of Technology**  
A Report on  
“IPR - UNDERSTANDING, DRAFTING & FILING”  
(20<sup>th</sup> to 22<sup>nd</sup> May, 2020)

**Objective:**

Gandhinagar Institute of Technology IPR Cell conducted 3 days webinar in association with Gujarat Technological University on ‘IPR - UNDERSTANDING, DRAFTING & FILING’ on 20<sup>th</sup> May to 22<sup>nd</sup> May, 2020 under SSIP. The workshop was organized to provide a valued platform for the participants from all over the Gujarat. Program was open for all faculties and students of any colleges. We received around 260 registration for the online webinar of 3 days.

**Key Takeaway of Program:**

- Journey from Idea to patent
- Patent understanding
- Funding options
- How you can draft your idea
- e certificate to all participants who attend all 6 sessions (6 hour)
- You will get answer for your all patent related questions

**Program Overview:**

The workshop was conducted on Google meet online platform. Prof. Dulari Bhatt, GIT – IPR cell coordinator hosted the event and sent the meeting link every day. Participants were also asked to fill the feedback form after each session. There were in total 6 sessions.

The details regarding speaker and session are as mentioned in following table. Participants were ask to be attentive during sessions. Every day after completion of 2 sessions feedback form including question answer regarding session were mailed to participants. Certificate was only provided to those participants who filled all 6 forms correctly and attended webinar on regular basis.

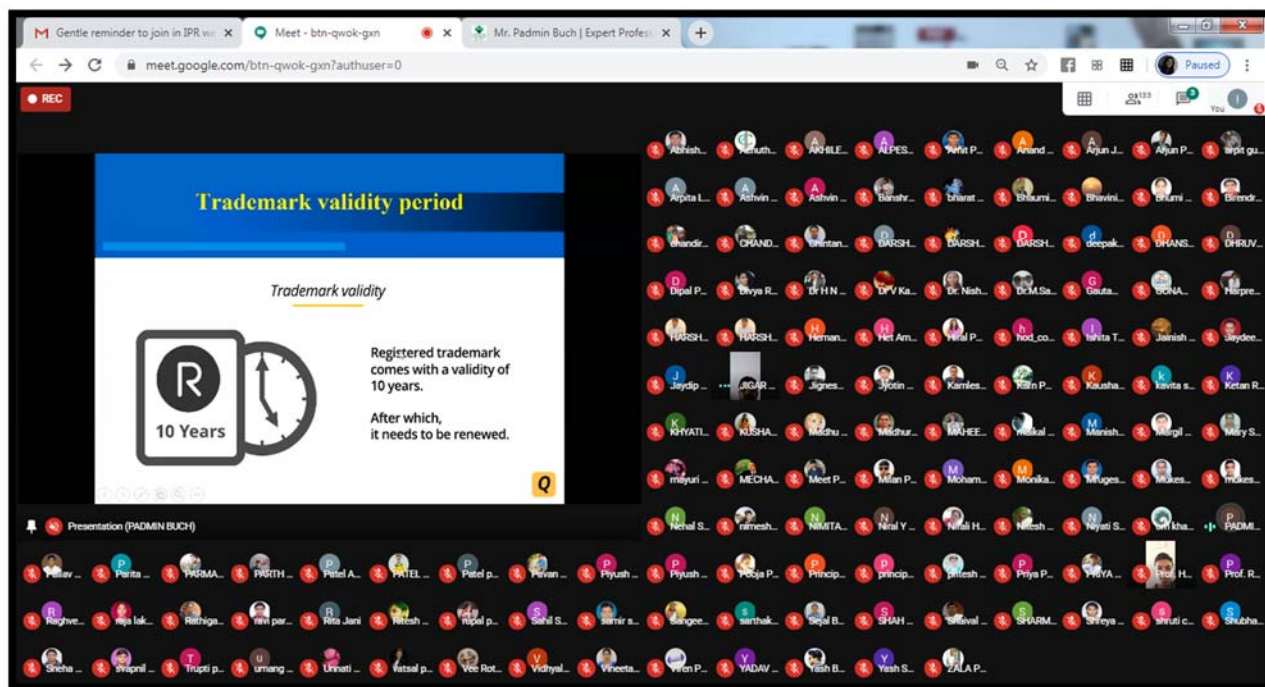

Highly experienced speakers were invited for delivering the session. All speakers were having very well and in depth practical knowledge about the subject, as most of them were Patent Attorney. Speaker gave real time examples to participants and motivated participants to file the patent. Thus webinar covered 360 degree knowledge regarding patent understanding to drafting to filing.
