

Gandhinagar Institute of Technology

Mechanical Engineering Department

Job Junction is an initiative by ISHRAE to provide job opportunities to fresh graduate engineers. This year it was organized in Mumbai on 22nd and 23rd January 2016. Many MNC were invited as an employer during this fair. 11 students from final year of mechanical department participated in the job fair. Among them, 2 students were selected in **Zamil Air Conditioners** as a **graduate trainee** with a package of **22K per month**.

Gandhinagar Institute of Technology and GIT ISHRAE Student chapter congratulates to Pathik Dwivedi and Vedang Patel for their achievement. Institute feels proud for them.

(From L-R Vedang Patel, Dr N M Bhatt, Prof. Ruchir Parikh, Pathik Dwivedi)
