

Gandhinagar Institute of Technology
Circular

Date: 10/03/2014

Sub: M component evaluation (Revised)

All the students of the Institute are hereby informed that for the current semester (Even 2013-14) Continuous Evolution component ('M' component) of 30 marks will be evaluated by conducting 2 class tests each of 15 marks. Students who will fail to secure passing marks after 2 class tests are required to appear for the 3rd class test. The third class test of 30 marks will be considered as remedial one and accordingly marks will be forwarded to the Gujarat Technological University.

Remedial examination of 30 marks will be conducted for all the students who have failed in 'M' component till last semester. Preferably the examination will be conducted on Saturday/Sunday. The syllabus will be same as that of GTU. Detail time table of the examination has been displayed on institute website.

All the students are advised to regularly browse the institute website: www.git.org.in
