

Gandhinagar Institute of Technology
Circular

Date: 19/06/2013

All the students of the Institute are hereby inform that for the current semester (Odd 2013-14) Continuous Evolution component ('M' component) of 30 marks will be evaluated by conducting 3 class tests each of 10 marks. Students who will fail to secure passing marks after 3 class tests are required to appear for the 4th class test. Marks will be processed as per 'Best three of four'. The fourth class test will be considered as remedial one and accordingly marks will be forwarded to the Gujarat Technological University.

Remedial examination of 30 marks will be conducted for all the students who have failed in 'M' component till last semester. Preferably the examination will be conducted on Saturday/Sunday. The syllabus will be same as that of GTU. Detail time table of the examination will be displayed soon.

All the students are advised to regularly browse the institute website: www.git.org.in
