

Gandhinagar Institute of Technology

A Report on

“International Women’s Day Celebration”

8th March 2018

Objective:

Gandhinagar Institute of Technology celebrated ‘International Women’s Day on 8th March 2018 under the banner of Women Development Cell (WDC). International Women’s Day is a global celebration honouring social, economic, cultural and political achievements of women and marks a call for accelerating gender parity. The objective of celebrating this grand day is to give respect to women and to create an atmosphere of unity, celebration, reflection, advocacy and action – to bring global initiatives at the local front.

Program Overview:

The event was organized for the female students of GIT. It was held in two sessions. The first session was a Cardio Workout in the Open Air Theatre. Mrs Kajal Chetan Trivedi, the trainer, taught the participants various cardio forms as well as aerobics. She explained the importance of workout in our lives. The session began with lamp lighting and prayer. It was followed by an inspirational speech of Dr N M Bhatt, Director GIT. The second session was conducted by Ms Shriya Damani, social entrepreneur, Gujarat. She motivated and guided the female students to march on the path of entrepreneurship and to be focused self. Events like Extempore and Poster Making were organized for the female students to showcase their talent. All participants enthusiastically presented their voice in the form of speech, poems and songs and creatively tried their hands in the form of drawing. Sweets were distributed amongst all as a token of love. A drama was enacted by the students to show the importance of woman in our lives. The students acknowledged the importance of women and thought of bringing a significant change in women’s equality and emancipation. They cheered up with a spark of making everyday an International Women’s Day. The event was a grand success under the coordination and cooperation of team members, coordinators and volunteers.
