A Report on
“ 7th International Yoga Day ”
21st June 2021, Monday

Introduction:

Yoga in India is considered to be around 5,000 year old mental, physical and spiritual practice. Yoga was originated in India in ancient time when people used meditation as a means to purify and rejuvenate the body and mind. It was proposed by Prime Minister Narendra Modi in his speech at the United Nations General Assembly (UNGA) on September 27, 2014. Since 2015, International Yoga Day is celebrated every year on June 21.

Objective:

The International Day of Yoga is celebrated with an objective to let people know the amazing and natural benefits of yoga as well as to feel connected with nature and universal consciousness. Yoga also helps people in getting relief from stress, anxiety and physical and mental disorders. Yoga Day celebration bring communities much close together to spend a day of health and harmony from busy schedule which results in enhanced global coordination among people.

Event Details:

With the Immense support of the Trustees and under the persistent guidance and inspiration by Dr. H N Shah (Director of Institute) the Gandhinagar Institute of Technology has celebrated 7th International Yoga Day on 21st June 2021 by organizing Yoga Practice Session on virtual platform with much fervor and enthusiasm by students, faculties and staff members of the institute.
