Objective:

Cisco Networking Academy is a global IT and cybersecurity education program that partners with learning institutions around the world to empower all people with career opportunities. It is Cisco's largest and longest-running Cisco Corporate Social Responsibility. ThisWorkshop aims to aware CE &IT students about various CISCO Programs as well as training, certification and career opportunities in industry.

Introduction:

CE & IT Department of Gandhinagar Institute of Technology (GIT) and Gandhinagar Institute of Skill Development (GISD), Gandhinagar University has organized one day workshop on "Introduction to Cyber Security Program by CISCO Netacad" on 30th September, 2022 for students of CE/IT Department. The day session was conducted by Mr. Pavan Bhagya, CISCO, EFFound. The main Objective was to create awareness among students about CISCO training courses, Certification and Career Opportunities in industry and topic on Introduction to Cyber Security. The main objective was to awares tudents about importance of CISCO and CISCO certification in industry.

A leader is someone who creates an event and the team members essentially bring life to it, Noany event can shape without a hardworking leader. It was the dedication and enthusiasm of thecoordinators Prof. Shradha Prajapati and Prof. Briendrasinh Zala who have successfully coordinated thewhole event under the patronage of Dr. H N Shah, Director. Above and beyond, let's not forgetthe backbone of this event conveners Prof. Rahul A. Vaghela (Head of Institute, GISD), Dr. Rajan Patel(Dean, Engineering & Technology,),Dr. Nimisha Patel (HOD,CE& IT) and department faculties.
