A Report on

### “Panchamrit for Climate Change – Youth Outreach Program”

(29 & 30 Sep 2022)

#### Event Overview & Objective:

Gandhinagar University has organized an event for Panchamrit for Climate Change – Youth Outreach Program from 29/09/2022 to 30/09/2022. The Slogan Competition, Innovative Idea Competition, Essay Writing, Elocution, Group Discussion etc were organized on the theme of renewable energy and the environmental problems.

#### Objective:

The Objective of the events is to spread awareness about the renewable energy, environmental problems and climate change. The silent objective is to engage the young minds to combat the problems of climate change.

#### Program Overview:

The event was organized for 2 days 29/09/2022 & 30/09/2022. The Slogan Competition, Innovative Idea Competition, Essay Writing, Elocution, Group Discussion etc were organized as per the following:

No	Event Name	Event Date	Participants
1	Slogan Competition	29.09.2022	8
2	Innovative Idea Competition	29.09.2022	5
3	Essay Writing Competition	29.09.2022	28
4	Elocution Competition	30.09.2022	21
5	Group Discussion Competition	30.09.2022	22
Total			84

The participants have shared their views regarding renewable energy as an alternate for fossil fuels during essay writing, elocution and group discussion. They mentioned that renewable energy has advantages like Less global warming, Improved public health, Inexhaustible energy, Jobs and other economic benefits, Stable energy prices, Reliability and resilience etc.

The groups debated that A Fuel Supply That Never Runs Out, Zero Carbon Emissions, Cleaner Air and Water, A Cheaper Form of Electricity, Renewable Energy Creates New Jobs, are merits whereas Higher Capital Costs, Electricity Production Can Be Unreliable, Energy Storage Is a Challenge etc were demerits of renewable energy. They put their strong opinion regarding about the future electricity option is renewable energy.

In the group discussion they debated on the role of each stack-holders' active participating in combating the climate change problems. The small steps of each one collaboratively creates a huge difference. The students enjoyed debate and shared their views and knowledge during the event.

The event wise list of winners is as follows:

<b>No</b>	<b>Event Name</b>	<b>Winner</b>
1	Slogan Competition	1) Limbachiya Harshkumar Vinodbhai 2) Bijva Nihar Omprakash 3) Patel Romik Kiritbhai
