

## Availability of Basic Medical Facilities in the University Campus as per UGC Norms

As per the guidelines of the University Grants Commission (UGC), every higher education institution is required to provide **basic medical facilities** to ensure the well-being of students, staff, and faculty on campus.

We are pleased to inform you that Gandhinagar University has made the following provisions in compliance with UGC norms:

1. **Medical Room/Health Centre:** A well-equipped medical room is available within the campus during working hours.
2. **Qualified Medical Staff:** Part-time medical officer and full time trained nurse/attendant are available to provide primary healthcare services, Collaborated with Parent Hospital (Ananta Multi-Speciality hospital)
3. **First Aid Facilities:** Adequate first aid kits and essential medicines are available at designated locations across the campus.
4. **Emergency Care:** An arrangement with hospitals/clinics has been made for emergency referrals and advanced medical care.
5. **Ambulance Service:** A campus ambulance is available/accessible to handle emergency transportation.
6. **Health Awareness & Check-ups:** Periodic health check-up camps and awareness sessions are organized for students and staff.

These facilities ensure that the university community has timely access to medical assistance in case of illness, injury, or emergency, thereby maintaining a safe and supportive learning environment.

  
Yours faithfully,
