

Gandhinagar University

A Report on

“Student Induction Program”

on 30/09/2025

Event Overview

The orientation program for B.Pharm Semester 1 students of Gandhinagar Institute of Pharmacy (GIP) was held on Tuesday, 30 September 2025. The event aimed to welcome the new batch and streamline their transition into the academic environment. Two key sessions were conducted by senior faculty members to provide students with essential institutional and academic insights.

Objective

The primary objectives of the orientation program were:

1. To introduce students to the institute’s culture, development, and academic ecosystem.
2. To familiarize students with the faculty team and highlight the scope and opportunities in the field of pharmacy.
3. To provide a clear understanding of the B.Pharm examination pattern, assessment methods, and academic expectations.

Program Overview

The program commenced with an informative session delivered by **Dr. Sandip Badeliya**, Principal of GIP. He provided a detailed overview of the institute's growth, highlighted the expertise of the faculty members, and discussed the wide-ranging opportunities within the pharmacy profession. The second session was conducted by **Dr. Jagruti Prajapati**, who explained the complete examination structure, internal and external evaluation processes, practical assessment guidelines, and attendance criteria. Following the sessions, students were escorted for a **guided visit to the laboratories** with faculty members, where they familiarized themselves with the practical facilities, instruments, and workspaces that will form an essential part of their academic training.
