

## **Gandhinagar University**

A Report on

“Teacher’s day Celebration”

on 04/09/2025

### **Event Overview**

“Teachers are the guiding lights who shape young minds and inspire futures.” With this spirit, **Gandhinagar Institute of Pharmacy, Gandhinagar University**, celebrated **Teachers’ Day** on **5th September** with great enthusiasm and respect. Teachers’ Day in India marks the birth anniversary of **Dr. Sarvepalli Radhakrishnan**, a renowned scholar and the second President of India, who firmly believed that teachers are the true pillars of society. The program was thus organized to honor teachers and to express gratitude for their invaluable contribution.

### **Objective**

The objective of the celebration was to acknowledge and appreciate the dedication of teachers in shaping students’ lives, to foster respect and bonding between students and teachers, and to inspire students by making them experience the noble role of teaching. It also aimed to create an atmosphere of joy, collaboration, and mutual admiration within the institute.

## Program Overview

The event began with students stepping into the role of teachers. In the first half, they taught various topics across subjects, showcasing their confidence and creativity while paying tribute to their mentors. Their performance as student-teachers was observed, evaluated, and the best performers were recognized with prizes, which encouraged healthy competition and enthusiasm among participants. The second half was filled with fun and interactive games, bringing liveliness and togetherness to the occasion. A prize distribution ceremony was conducted to felicitate winners of both teaching and gaming activities, adding further excitement. The celebration concluded with an inspiring address by our respected Principal, **Dr. Sandeep N. Badeliya Sir**, who highlighted the role of teachers in nation-building and motivated students to uphold values of discipline, respect, and continuous learning. His words left a lasting impression, making the day memorable for all.
