ASIA'S FIRST

ENABLED CAMPUS

EMBRACE THE TRUE POTENTIAL OF AI

Ms. Vinita Rohera
Vice President

In 2006, Gandhinagar University was born as the Gandhinagar Institute of Technology, but it has since then transformed into a globally-renowned, student-centered, research-oriented, and multi disciplinary State Private University.

With a grand vision and an unwavering commitment to academic excellence, the University is fast becoming an education hub that is poised to revolutionize higher education in India.

Your dreams should be nurtured, not burdened by excessive costs.

Here, education is not just about textbooks and lectures; it's about creating unique opportunities that set it apart from other institutions. The University organizes events that are unlike any other, providing students with unparalleled experiences that help them grow and learn.
